THE CITY.

The funeral of Sir Edward Cunard will take place from Grace Church at 92 o'clock this morning.

A lady was knocked down by a velocipede in Twentieth st., on Thursday evening, and severely in-

Señor Mauricio Lopez Roberts, Spanish Minister to the United Stares, and P. D. de Rivera of the Spanish Legation, are at the Albemarie Hotel. Senator Grimes of Iowa is at the Brevoort House. The Senator leaves for Europe by the Samaria, on Wednesday next, for the benefit of his health.

The Pacific Mail Steamship Company's steamer America will leave this port for a voyage around the world between the 20th of May and the 1st of June. Capt. John S. Young has given notice to the Police Commissioners that he will apply to the Supreme Court for an order compelling them to vacate their judgment dismissing him from the force.

The body of James Spencer, late a resident of Newtown, L. I., was found floating in the East River yesterday, at the foot of Eleventh-st. He was drowned on Feb. 15. Deceased was a native of Sweden, aged 45

The funeral of Grenville Winthrop, a banker of this city, whose death occurred recently in the South of France, took place at Trinity Church, yesterday forenoon, the Revs. Messrs, Vinton, Oglible, and Scabury officiating.

A petition to the Legislature, "against the contemplated change in the law relating to the opening and widening of the public streets in the City of New-York, by which two-thirds of the expense shall be paid by the City in general," is ready for signatures. A desperate fight occurred in the Metropolitan lotel, resterday noon, between two sporting men named ames Deering and Rudolph Fitzpatrick. The quarrel egan over a game of hilliards, on which, it is said, a large im of money was pending. An officer of the Broadway and was called in, who arrested the men and locked em up at Police Headquarters.

At a meeting of the Board of Police Commissioners, yesterday, they created a new sub-precinct from the Forty-third Precinct of Brooklyn. The territory embraced in the new sub-precinct comprises what is known as the Red Hook dustriet, lying south of Hamilton-ave. They also made a Bergeant of Roundsman James J. Kelso, who has been in command of the detective force since the dismissal of Capt. Young.

Dr. Pooging, Coppul Grayca, of the North

force since the dismissal of Capt. Young.

Dr. Roesing, Consul-General of the North-Geneman Uplon, examined the captain of the ship Hedwig, with regard to the outrage committed on Mrs. Mairose, yesterday. The captain said that he had done all in his power for the comfort of the woman, and had endeavored to arrest the boatswain who was guilty. Dr. Roesing, after signing the affidavit of the captain (Beaumann) and that of Mrs. Marlose, sent them to Bremen for the action of the German Government. The boatswain has escaped.

has escaped.

Early on the morning of the 6th inst., James Stater of Ko. 74 Warren-st., was attacked in Cresby-st., near Broome, and knocked insensible by James Steele. The assailant was arrested at the time and locked up. The injured man was restored to consciousness and taken home to No. 48 New-Bowery. Yesterday he was found to be much worse, and was taken to Bellevue Hospital. The attendant surgeon thinks that he is in a critical condition from concussion of the brain. Steele is held to await the result of Slater's kiljuries. Robbery is alleged to have been the cause for the attack. An ante-morten examination will probably be held.

BROOKLYN.—Texture clies. Proceeds the content of the state of the content of the state of the state of the state.

BROOKLYN .- Trotter alias Ryerson-st. is to

J. H. Whimster, one of the parties implicated in the alleged drawback frauds, was yesterday brought before U. S. Commissioner Jones, and admitted to ball in the sum of \$20,000 to await the action of the Grand Jury. Yesterday afternoon a team of horses, attached to a Knickerbocker ice-wagon, ran away in Fulton-st., and, when near Nassau-st., collided with a carriage owned by John D. Fay, completely smashing it. Charles Nebeg, the driver of the ice-cart, was thrown from his seat and

The prisoners, James Glynn, William Carothers, and Joseph Murphy, charged with brutality on board the emigrant ship James Foster, jr., on the voyage from Liverpool to New-York, were brought before U.S. Commissioner Jones yesterday, and, whiving examination, were committed to await the action of the Grand Jury.

A young man of good appearance and well-dressed, shot himself while on the sidewark in Flatbushave. near Fulton-ave., yesterday afternoon about 5 o'clock. He evidently attempted to shoot himself through the heart, but aimed too high, and the ball passed through the left lung. It is thought to be impossible for him to recover. The only word he has attempted to speak is "Maggie." A letter was found in his pocket addressed "dear Maggie, and signed your affectionate Harry." This letter speaks of his being ruined and unhappy, but gives no clue to his residence. On his clothing are the initials H. E. J.

WILLIAMSRUEGH ... Mr. William Skiddy

WILLIAMSBURGH.-Mr. William Skiddy No. 3, on Tuesday evening last.

JERSEY CITY .- The Democratic City Con-JERSEY CITY.—The Democratic City Convention met at Central Hall last evening. The resignation of Mayor O'Neill, which was placed on file with the City Cierk yesterday, brought up the proposal to nominate a candidate for Mayor. Mr. Lion (Abbett, the speaker of the State Assembly, spoke at length, urging upon the Convention the necessity of making a nomination. After the conclusion of Mr. Abbett's address the Convention nominated Mr. Wm. Traphagen. The Republicans will probably abminate a candidate this evening. The Charter Election will be held on Tuesday next.

John Cortigan has brought suit against the Long Dock Company, and John H. Midmer, sheriff of Hudson County, for \$15,000 damages, alleged to have been sustained by him by means of an ejectment which he suffered at their hands, some time since. The property from which complainant was ejected in located in Pavonia-ave, and is now occupied as a salcon. The anti is brought in the Supreme Court.

The ticket office of the New-Jersey Railroad The ticket office of the New-Jersey Railroad depot was robbed of \$600 on Thursday evening while the gatemen were at their post, and the sitting room was filled with passengers. Mr. Perrine, the ticket agent left his office for a short time, at about 9 o'clock, when he returned he discovered that all the money was gone. Upon inquiry of the gatemen he learned that a well-dressed man had walked hurriedly mio the sitting room and had unlocked the door of the ticket office, passing inside where he lighted the gas. The gatemen did not see his face, and they had no suspicion of his true character. When he left the ticket office was not known, but he evidently completed his work within five or ten minutes, as be had escaped when Mr. Perrine returned. No clue is possessed that may lead to the identification of the thicf.

he had escaped when Mr. Perme returned. No clue is possessed that may lead to the identification of the thief. HOBOKEN.—About 5 o'clock yesterday aftermoon, a lad named George Allen, 15 years of age, while walking along the Morris and Essex trestie, missed his footing, and fell through the frame-work to the ground, a distance of 25 feet. Both his arms were broken, beside which he received severe internal injuries, from which, it is feared, he cannot recover. He was taken to 8t Mary's Hospital. Allea's parents reside in South Sixth-st., Jersey City.—John Martin, alias "Liverpool Jack," the man whose life Moss Moses was endeavoring to save from an approaching train on the Morris and Essex Kaiiroad crossing, when he (Moses) was killed, was arrested yesterday morning, by Constable Brown. He is charged with forcibly Scianing Moses upon the track, whereby he received injuries which caused his death. He was committed for examination.—Partick Connelly, a laborer employed upon the gravel road, was run over by a train of cars, near the Elisian Fields, at about 6 o'clock last evening. He was engaged in screwing down the brakes to check the speed of the train, when he fell to the ground and was run over by seven cars. After the train had passed the divided parts of the body and were lying several feet apart. The sufferer survived his injuries but a few minutes. He resided in Eimst., New-York, and leaves a family. Coroner White will hold an inquest.

HUDSON CITY.—Gotleib Eggerman, a Ger-

HUDSON CITY.—Gotleib Eggerman, a German cabiact-maker, was arrested hist night, charged with committing an atrejeous assault on Wm. Fidler, a furniture dealer on Bergenave. He is held to await the result.... A frame dwelling, two stories in hight, situated in South-st. hear Moulgomery-ave., was burned to the ground at about 2 o'clock yesterday morning. The loss is \$3,000, and the building was insured for \$2,000 in the International Insurance Company of New-York. The property was owned by Mr. Thomas Murphy. It is supposed that the building was intentiously barned... The delegates to the Chy Convention met last night at Alien's Hotel for the purpose of nominating City officers. B. F. Sawyer received the nomination for Mayor. Thomas Aldridge, Recorder, and Dr. Frank E. Nobie. Superintendent of Public Schools. The Citizens' Association, in the Third Ward, has nominated the following ticket: For Adderman, H. Flebal; Chosen Frecholder, C. Bouse; Constable, J. T. Volnardt; Justice of the Peace, E. Beekman, Fourth Ward returns incomplete. HUDSON CITY.-Gotleib Eggerman, a Ger

NEWARK.—The Social Turners' Society of this city, numbering about 80 numbers, elected the following officers on Friday evening: E. Heczwagen, Speaker; A. Hermann, Corresponding Secretary; Henry Schade, Treasurer, and Adophplus Mayle, Master of Gymnastics...The annual meeting of the Union Officers' Association of New-Jersely was held in Library Hall yesterday afternoon, Majorfgen. Yershom acted as Chairman, and Adjit.-Gen. W.S. Stryker as Secretary. A large delegation of ex-officers were present, and quite a number of new members were elected. Resolutions were ordered the drawn commemorative of Capt. W. C. &c. Call. 14th United States furantry, the only member who has died during the year. The remainder of the business was of a routine, character and unimportant. A dimer was partaken of after the adjournment. The next meeting will be held at Camden.—The Common Council is making many alterations and infurovements in the city market. The fish stalls are being removed to the lower end on Mulberry-st., and the butcher stalls are to be transferred to what was formerly the fish quarter. The Camaist, side is to be lighted, and the throwing of garbage into the canal will be prohibited. The country market, on Commerce-st., has been entirely changed and renovated. The number of stalls is greatly increased, and the stalls are reuted at nearly double their former rent.

PATERSON, N. J.—Peter G. Hopper is the

PATERSON, N. J.—Peter G. Hopper is the mal Democratic nomines for City Clerk... The velocitied mile race on Thursday night was won by George Pan Houten in 5:45... A meeting of the Common Council to held last evening to review the new city charter. BOONTON, N. J.—Jacob Vandenhoff, who has been missing for several weeks, has been found drowned in a pond near the village. It is supposed he fell into the canal at Powerville, and that his body drifted to where it was found.

SEACAUCUS, N. J.—Workmen engaged in digging for the foundation of a building near the Seacauens race-course yesterday discovered a human body that had evidently been turied for a considerable length of time. An investigation will be made by Coroner James. RAHWAY. N. J .- An old building which had

heen given to the colored people of this place for a church was burned to the ground a few nights since. It is supposed to have been set on fire....John Taylor Johnstone, the President of the Central Railroad of New-Jersey, is lying seriously ill at Rome, Italy.

TRENTON, N. J.—The Republicans have nominated Jacob R. Freese for Mayor, and R. R. Rogers for School Superintendent. The Democrats have renominated William Napton for Mayor, and Dr. Cornelius Shepherd for School Superintendent. SMITHTOWN, L. I.—At the annual town meeting held on the 6th inst. the question of issuing the bonds of the town for the purpose of procuring an extension of the railroad was submitted to the people, and it was voted that the bonds be issued.

SING SING .- The charter election resulted in the choice of the following officers: For President of the Village, Mr. Isaac B. Norton, indorsed by both parties; Clerk, John Gibney, (Rep.); Trustees, Ebenezer Foster, (Rep.), Robert Monnt, and Edward Felter, (Dems.); Colector, Jacob T. Cocks, (Dem.); Treasurer, Leander Fisher, (Rep.)

With his object, the Liberateurs in question, like Mr. Dixon binoself, take the freedom of assuming a when as if the introths and halmeinations contained in that book rested on documentary evidence, supplied by the process sentioned, by which means persons unsequated with the matter might be misled to consider them true. For truth's sake, therefore, the real state of the 'matter, velied by the said means must be brought to public knowledge. Already, since 1932, indeed, a publication extensively circulated in Germany (published by Baiper & Richn, in Basle and Louwigsburg) by the undersigned, who, from his official position is minutely acquainted with the whole contents of the documents, had given to the public an "Explanation founded on the original documents" of the religious state of the documents, but given to the public an "Explanation founded on the original documents" of the religious state, whose existence Mr. Dixon now, publishes after a period of thirty years, not only never existed, but that also the shire demunciation of sects, together with all the fictious thereto appended and still more multiplied by Mr. Dixon in his "Spiritual Wires," had been judicially refuted and the removal of itsu practices from their clerical offices was solely in consequence of santessing views which, in conformity with competent technical opinion, tend to goard the authority of the libid and further personal improvement. Dixon's work coole in no wise give information taken from original documents, for judiciar documents, and particularly when sealed up by superior command, as Dixon himself states, are of course not accessible to introders, much less to a foregreer. On the contrary, Mr. Dixon has judged, besides goasing rumors imposed upon his credulity, solely from a duplicate of a lampoon which he had got privately and onder kand, and which is not therefore to be accurately to the English translation of a historical extract from the "Explanation," etc., entited "Authorical professional processing that the competency untre this object, the Liberateurs in question, like Mr. Dixon bimself, take the freedom of assuming a mice as if the natraths and balinged in that book rested on documentary evidence appealing the control of the control o

THE CURABILITY

CONSUMPTION

WINCHESTER'S HYPOPHOSPHITES

OF LIME AND SODA.

THE MOST MAGNIFICENT MEDICAL DISCOV-ERY OF THE AGE.

There is no disease so widespread in its action, so destructive in its et REALIZED, AND THE MOST BEAUTIFUL JOURNAL IN THE fects, or which has attracted so much attention as Consumption. Proliest ages its symptoms have been remarked, and its courses dis ussed; nor is this to be wondered at, for its characteristics are so striking that they could not fail to arrest the attention of even the most superficial observer. The peculiar look, the gradual scasting of strength and firsh, the health flush, the wearing cough, the hopefulness of the patient—all tend to impress the mind(with the silent, instilions, inexerable which THE ILLUMINATED WESTERN WORLD is now printed. It progress of a relentless malady.

It is now admitted by the highest medical authorities that Consum

TION is a general or constitutional mulady, depending, in the first intance, upon a disordered or IMPOVERISHED CONDITION OF THE BLOOD, manifested almost invariably by an increase in the fibrine, and a diminu san, and devoted to the education of the masses. Send for specimen ion of the red corpuscies, or globules. This deprevity of the blood toubtless results from the various known and unknown causes which imdir the nutritive functions; because, from the perfect digestion and assimilation of the food, only, can the blood be maintained in its normal THOMAS R. OF LIME AND SODA, THE SPECIFIC REMEDY FOR

CONSUMPTION UNPARALLELED IN THE ANNALS OF MEDICINE. It has per

formed more WONDERFUL CURES, and accomplished results which no ther remedy or treatment HAS EVER EQUALED OR EVEN AP-PROACHED. It is no new thing, but a thoroughly tried and well tested Remedy. Furthermore, it is a Remedy indorsed and apprecial by the whole Medical Profession, who constantly prescribe it in their practice with the greatest success.

The action of the Remedy is PROMPT and CERTAIN. The effect

upon the cough and expectoration is often very rapid, causing their dis-appearance or alleviation sometimes in a few days. The night sweats, owever copious they may have been, speedily disappear. There is felt an immediate increase of strength. The appetite is at once invigorated. The difficult breathing (caused by a deficient vitality of the blood) is speedily relieved, as well as the pains in the chest, and the sleep becomes calm and profound. In the language of prominent Physicians, ALL THE GENERAL SYMPTOMS DISAPPEAR WITH A RAPIDITY REALLY THOUSANDS of cases of confirmed CONSUMPTION have been com

pletely cared by the use of this Remedy.

If it was sought to discover a SPECIFIC REMEDY FOR CONSUMP. TION, its preventive and curative effects COULD NOT BE DIFFERENT FROM THOSE WHICH ARE PRODUCED BY THE USE OF THE HYPOPHOSPHITES

GALLOPING CONSUMPTION, a result has been attnined of which no other treatment can furnish a single example. Not a case of cure of this form of the mainty HAS EVER BEEN KNOWN BY ANY OTHER THEATHERT THAN THAT OF WIN-

It is an almost universal rule, in all cases of Consumption, that the da ositions of taburcular matter is gradual-hrading the lungs only by occessive portions. Is follows, as an established fact, that there is a period in the progress of the disease; and that, until that period be passed, EVERY CASE OF UNCOMPLICATED CONSUMPTION CAN CERTAINLY BE CURED BY THE USE OF THE HYPOPHOS

The dictates of bumsaity, it would seem, imperatively that the treatment should be had recourse to at the outset, and not, as is frequently the case. As a LAST RESORT, when the patient is given up as in a hopeless condition. The LOSS OF TIME, so essential to the effeasy of aur remedy, IS IRREPARABLE. To prevent, is easy; to cur-

SPECIAL EFFECTS OF THE TREATMENT

NERVOUS SYSTEM. One of the first effects is, AN INCREASE OF THE NERVOUS OR VITAL ENERGY, followed by a feeling of unusual comfort and afrength.

This is more marked, and earlier manifested in proportion to the degree of weakness and nervous debility previously existing. The nervousness, Stability, is allayed; the patient experiences a pleasant calm; and The HTPOPHOSPHITES are the most important agents known to Medical Science, for THEIR POWER TO RELIEVE EVERY FORM OF NERVOUS DISEASE. They are emphatically A NERVE FOOD;

restoring the Vital Force, and reinvigorating all the Functional Processes of Life. Their snedyne effect is remarkable—tending to produce THE MOST REFRESHING AND RENOVATING SLEEP. They should be used promptly, in every case of LOSS OF NERVOUS FORCE, whatever cause, as THE EASIEST, MOST DIRECT, AND MOST AP-PROPRIATE REMEDY. The effect of the HTPOPHOSPHITES on the

BLOOD OR CIRCULATORY SYSTEM

re-wastle marked. The quantity and color are tapidly increased; the constenance becomes fuller and fresher; the mysterial rains are availed out; and according to the doses employed, and the duration of trustment, the patient shows striking evidences of Platinona, or failness of blood. In females, the cataments is increased in quantity and color; and in most cases, where it has ceased, there is a return of the periods. The state of plethora, which is so characteristic an effect of the Hypornospurrus, i

one of the RESENTIAL CONDITIONS OF GURE.

The RYPOPHOSPHITES, then, possess a TWO-FOLD and SPECIPIC ACTION; on the one hand they increase the principle, whatever it
may be, that CONSTITUTES NERVOUS ENERGY; and on the other, re the MOST POWERFUL BLOOD-GENERATORS ENOWN. The action of WINCHESTER'S HYPOPHOSPHITES OF LIME AND SODA on the

NUTRITIVE FUNCTION is prompt and certain. The appetite is increased, often in an extraordi ry manner, the patient gains flesh, and the features, especially after the

We keep constantly on hand a large stock for the retail trade, at manufacturers' prices. Persons wishing to purchase FURNITURE wantd do well to call and examine our stock before purchasing elsewhere. All goods warranted as represented. first two or three weeks, showing a marked improvement in appearance The Remedy acts beneficently in all cases of impaired nutrition. Hence

DYSPEPSIA AND INDIGESTION, WINCHESTER'S HYPOPHOSPHITES exert an immediate power in

strengthening and invigorating the Nutritive Function. In this respect it is the best remedy known. Taken in doses of from fire to Aftern grains daily, it will in a few weeks entirely relieve and care the most distressing case, and by an occasional use of the Remedy for a few months, will restore the Nutritive Functions to a perfectly healthy condition, and at the same time will flacrouse the vital force to the highes standard of health. In no case of derangement or weakness of the digestive organs will this remedy fall to effect a RADICAL CURE.

INFANTS AND YOUNG CHILDREN. The effect, in young children, and in infants, is remarkable. Pale weakly, puny children become rosy and vigorous; the teeth and hale growing more rapidly. When given, in appropriate doses, to infants at their first teething, it PERVENTS all the allocate to which they are subject at that critical period—such as fever, fretfulness, lax bowels, sleeplessness, convalsions, &c. The teeth come rapidly through without d
